# SECOND HALF OF LIFE

## Who We Are

At The Back Forty, we empower midlifers to create their second half of life as their best half. We envision a world where midlife is seen as a doorway to our greatest achievements and expression of purpose.

## Our Gift to You

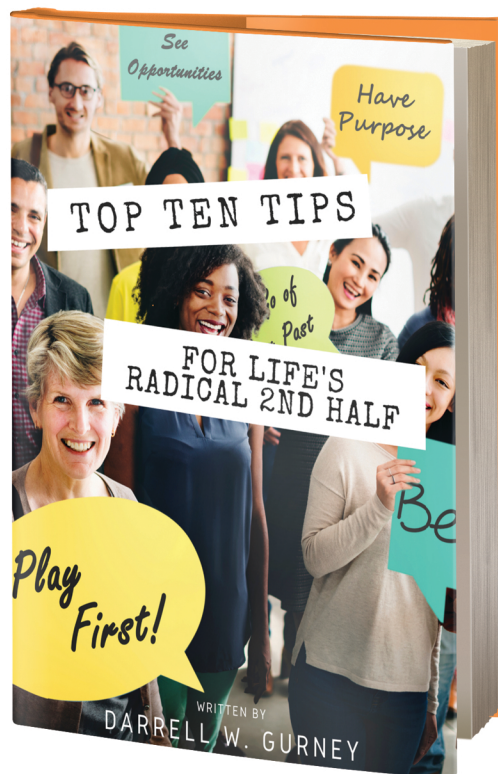

Midlife can be a time of great change and opportunity. The Back Forty Co-Founder, Darrell Gurney, addresses this unique period in a 19-page eBook, *Top Ten Tips for Life's Radical 2nd Half*, to inspire, as Frank Sinatra sings, "the best is yet to come...and won't it be fine!"
